

Website Privacy Policy & Cookie Policy

SALA s.r.l. considers users' privacy of fundamental importance and guarantees that the processing of personal data entered in, collected by and processed through the site **www.salasrl.com** will be performed in respect of rights of the data subject, with particular reference to confidentiality, personal identity and the right to protection of personal data pursuant to the terms of the "Data Protection Code" Leg. Decree 196/2003 (hereinafter "Code") of the "General Data Protection Regulation" 2016/679 (hereinafter GDPR) and of the following provisions among which the Leg. Decree 101/2018.

To this regard, **SALA s.r.l.**, in the context of a wider general process of compliance with the standards, has adopted and implemented this Privacy Policy, to be regarded as Information to be provided pursuant to art. 13 and following of the "GDPR" as concerns the management of the site with reference to the processing of the Users' personal data.

Data Controller

Data Controller is **SALA s.r.l.**, with registered offices in Collebeato (BS), Traversa di Via De Gasperi, 41, in the person of its pro-tempore legal representative.

"Processing" – as better specified in Art. 4 GDPR – means any operation or set of operations which is performed on personal data or on sets of personal data, whether or not by automated means, such as collection, recording, organisation, structuring, storage, adaptation or alteration, retrieval, consultation, use, disclosure by transmission, dissemination or otherwise making available, alignment or combination, restriction, erasure or destruction.

"Personal data" means any information relating to an identified or identifiable natural person (**'data subject'**); an identifiable natural person is one who can be identified, directly or indirectly, in particular by reference to an identifier such as a name, an identification number, location data, an online identifier or to one or more factors specific to the physical, physiological, genetic, mental, economic, cultural or social identity of that natural person.

This Privacy Policy applies to personal data of the Users, which have been collected through the website; this Privacy Policy does not apply to other third-party websites, for which access is enabled through a link appearing on our website.

We underline that data are transmitted through high-security IT networks and that all protection measures stated by current regulations on general data protection and their safeguard from unauthorized accesses have been adopted.

Types of processed data and modes for their processing

SALA s.r.l. may collect some personal data concerning the Users, such as their name, surname, e-mail address, User ID and password, aggregated information during Website browsing, other personal data voluntarily provided by the User upon registering or upon their request of goods or services offered by the Website or information request sent to the Website by e-mail. The stored contents can

Website Privacy Policy & Cookie Policy

be accessed by the Users without providing their personal data. However, some sections may be accessed only by registered Users. The User's personal data may be therefore processed by automated means, (i) when browsing the website, (ii) when registering on the Site (compulsory in order to make use of services or purchase goods offered on the Website), (iii) upon the request of supply of goods or services. Moreover, should the User contact us to ask for information, we'll collect his/her personal data in order to provide an answer.

SALA S.r.l. may withhold the personal data over the time strictly necessary for the fulfilment of the purposes set forth in this Privacy Notice, without prejudice to compliance with regulatory and/or normative provisions.

Navigation data

Information systems and software procedures used to operate the Site acquire, during the normal course of operation, some personal data whose transmission is implicit in the communication protocols of the Internet. It concerns information that is not collected to be associated with specific individuals, but by its own very nature could, through the processing and association with data held by third parties, allow users to be identified. This category of data includes IP addresses or domain names of computers used by users who connect to the site, URI addresses (Uniform Resource Identifier) of requested resources, the time of the request, the method utilized to submit the request to the server, the size of the file obtained in reply, the numerical code indicating the status of the response from the server (successful, error, etc..) and other parameters related to the Users' operating system and their IT system. These data are used only to obtain anonymous statistical information on the use of Site www.salasrl.com and to check its correct functioning and are deleted immediately after processing. The data could be used to ascertain responsibility in case of hypothetical computer crimes against the Site.

Data provided voluntarily by the User

SALA s.r.l. collects also personal data entered in the registration forms or in the requests of goods or services, as well as those sent to SALA s.r.l. by e-mail. It mainly concerns information required to provide the User with the requested goods or services or to contact the User upon his/her request of information.

Purpose of personal data processing

SALA s.r.l. will process the Users' personal data for the following purposes: a) for requirements relating to authorization, qualification and customization of the accesses to the various Website areas and contents; b) for requirements relating to the stipulation and implementation of a contract upon User's request; c) to implement a service or an operation within the sphere of SALA's s.r.l. activities; d) for sales development reasons, analysis of relationships with e-marketing customers, by previous consent of the User. For example, SALA s.r.l. can send updates and information on products or promotions to the User's e-mail address.

Website Privacy Policy & Cookie Policy

Optional data provision

Except for what is mentioned in the navigation data, the User has discretion in deciding whether or not to provide his/her personal data in the forms for Website registration or for the request of goods or services available on the Website, or by sending a request for information to the Website by e-mail. You have the right to give your consent even for only some of the purposes listed above and withdraw it for others. It is understood that your failure to give consent could result in the impossibility of obtaining the requested service or the provision of only partial services.

Communication and/or dissemination of personal data

Users' personal data collected by **SALA s.r.l.** through the site www.salasrl.com are accessible to **SALA's s.r.l.** organs and employees that have been formally designated as Authorized to process the data; the appointment deeds contain a series of requirements relating to the processing of data (computer or analogic) to be observed by each individual.

Besides, the Users' personal data can be communicated to companies providing the goods or the services available on the Site, for the fulfilment of the obligations arising out of contracts entered upon the User's request or to provide the service requested by the User. The data are collected and stored on servers owned by SALA s.r.l. or by companies with which SALA s.r.l. has entered a contract. Some data may be communicated in anonymous aggregate form to companies of the group or third-party companies for statistical purposes. For example, communicated could be the average age of visitors to the website, the number of visitors from different geographical areas. In any event, these data do not allow the identification of the Users.

Except in the cases explicitly permitted by the law, or provided for by this Privacy Policy, personal data will not be disclosed or shared with the consent of the data subject.

SALA s.r.l. protects the personal data processed by adopting the safety measures implemented during the process of adaptation to the general data protection regulation. Measures have been implemented to prevent unauthorised third-parties' access to personal data and to the Site, or the unauthorized registration or use of personal data.

The Data Controller shall be entitled, with no requirement for preventive consent, to disclose the data to Supervisory Bodies, Judicial and Police Authorities, as well as to third parties, whenever required to do so in fulfilment of a legal obligations and/or of the Authorities.

Rights of concerned individuals as to their personal data

The data subject may at any time exercise all the rights set forth in Art. 15 and following of the European Regulation no. 2016/679.

In particular, the data subject shall have the right to:

- obtain confirmation about the existence of personal data;
- obtain communication of such data in intelligible form;
- obtain the rectification of such data (art. 16, GDPR);
- obtain the erasure of personal data (art. 17 GDPR);

Website Privacy Policy & Cookie Policy

- obtain the restriction of personal data processing (art. 18, GDPR);
- obtain communication from third-party recipients of the intervention requests on data (art. 19, GDPR);
- object at any time to processing of personal data (Art. 21, GDPR);
- obtain data portability;
- withdraw consent for his/her personal data to be processed without compromising the lawfulness of the processing based on the consent before the withdrawal;
- lodge a complaint with a Supervisory Authority on the lawfulness of processing of personal data.

Communications shall be sent to Data Controller to the following address:

Information provided by the Users

As concerns the contents voluntarily entered by the Users on the Website **www.salasrl.com** (User Generated Content), **SALA s.r.l.** will not be liable for any possible infringement of third parties' rights.

Modifications to this Information on Privacy

SALA s.r.l. reserves the right to modify this information on privacy in order to implement the changes to the regulation or to adapt to technological innovations. Modifications, if any, will be given in this webpage, made available continuously through the hyperlink appearing on the homepage of the website. The Users are kindly requested to read and consult this Privacy Notice at regular intervals for information on possible and necessary updates or revisions.

Cookie Policy

What are cookies and what are they used for?

Cookies are small text files sent by sites to their terminals to signal users' visits. They are stored in the terminal and re-transmitted to the same sites at the time of the next visit. Cookies are used for various purposes: to authenticate information, to monitor sessions, to memorise information in relation to specific configurations regarding the users who access the server, to memorise preferences avoiding entry of the same information more than once during the visit, for example user name and password, as well as to analyse the services and contents supplied by the sites to optimise navigation and the services offered.

Our cookie policy

To be able to use the entire site, your computer, tablet or mobile phone needs to accept cookies because you can only use some customised functions of our website when they are enabled. The **www.salasrl.com** site uses its own technical cookies and third-party profile cookies which make it easier to take advantage of the services offered, whilst respecting regulations on the subject of Privacy. Our cookies do not store sensitive information such as name and surname, address or data concerning payments. However, if you prefer to limit, block or cancel the cookies on this site or any other website, you can do this directly through your browser. Here is a list of the main cookies used:

Tools for SITE sharing

If you decide to share the contents of the SITE with third parties through the social networks, these websites could send you some cookies. We are not able to control the setting of these cookies, and therefore advise you to visit the relative websites for more information on their cookies and how they are managed.

Website Privacy Policy & Cookie Policy

How to block Cookies

Our cookies do not memorise sensitive data such as name and surname, address or details of payments. However, if you prefer to limit, block or cancel the cookies of this site or any other web site you can do so directly through your browser. With nearly all Internet browsers, you can check which cookies are present on the user's computer, block all cookies or be notified every time a cookie is installed. However, you must bear in mind that in some cases it becomes impossible to use some sections of the site if the cookie is not installed. Since each browser is different, you have to enter the "Help" menu of your specific browser or consult the manual for your mobile phone to know how to modify your preferences relative to the cookies.
